RAAHE ARCHIPELAGO CRUISES AND DAY TRIPS

For centuries, recreation in marine nature and the archipelago has played an essential part in the summers of people in Raahelä region. Today you can explore the Raahelä archipelago, selected as the Finnish Outdoor Destination of the Year in 2016, on boats with capacity for 12 persons. Spend a lovely summer day on the beach on Tasku Island, learn about the unique nature shaped by post-glacial rebound on the nature trail on Iso-Kraaseli Island or enjoy the peace and quiet on the rocky shores of Kalla Island.

Shortest trip to these islands only takes about 20 minutes. Explore the archipelago on a cruise or join an Island Hopping tour where you will visit two islands, or spend a summer day on a deserted island. You will also see historical daymarks and new lighthouses during the excursion.
